

Fluid Environmental Services, Inc.

Rust Removal Products

We carry a complete line of environmentally safe products at great prices with personal service from the owner. Our products will reduce your operating cost so that your company can stay ahead of OSHA's health and safety guidelines and the EPA's environmental regulations. We carry a complete line of industrial waste reduction products. Through a natural process, Fluid Environmental Services, Inc. provides cost-effective, safe solutions for rust removal, microbial products to clean, absorb and dispose of used oil, gas, grease, and other carbon-based waste.

Cell-U-Sorb

Cell-U-Sorb® absorbs oils and grease off the surface of water. It is harmless to plants, animals, and aquatic life. Cell-U-Sorb® is produced from recycled raw material.

Oil Gator

Oil Gator® is premium oil absorbent made from naturally occurring bacteria. It is completely safe to humans and animals, and will not harm the environment.

GRII

GRII® is an earth-friendly biodegradable paint and adhesive remover that contains no petroleum distillates.
